- 1.3 Competitors must have paid the registration fees and signed the required documents no later than 8 p.m. on February, 28th, 2020.
- 1.4 No refunds will be issued for registration or other fees unless the event is cancelled prior to the start of the race.
- 1.5 A class in which fewer than five competitors have registered may be eliminated, in which case those registered in the eliminated class will be refunded.

2. Competitors' Responsibilities and Obligations

- 2.1 Competitors must comply with the general competition rules, the officials' instructions and all markers and signs in effect for each class.
- 2.2 Competitors must register at all designated checkpoints during the race.
- 2.3 Competitors must complete and record the laps required for the class in which they are registered.

2020 CROSSCOUNTRY RULES

- 2.4** At the race site, competitors shall always behave in a sportsmanlike manner toward the other participants, organizers and officials.
- 2.5** A maximum of two (2) mechanics per Competitor only will be admitted in pit area.
- 2.6** Competitors are not permitted to consume or be under the influence of alcohol, drugs or doping substances at any time during the race.
- 2.7** Competitors must wear their assigned number on the back of their bibs and ensure that it always remains visible.
- 2.8** Competitors must not run their snowmobiles in such a way as to deliberately obstruct, push, block or cut in front of other drivers.
- 2.9** Competitors must wait until the trail is clear before continuing the race if one or more drivers have spun out or run off the race course.
- 2.10** Competitors whose snowmobiles have broken down during the race must remove them as fast as possible from the race course.
- 2.11** If a snowmobile must be pushed, it may only be pushed in the direction of the race.
- 2.12** Competitors must always follow the prescribed race course and comply with all markers and signs installed by the officials.
- 2.13** Competitors must attend all race meetings, including a pit meeting on the morning of the competition scheduled on February, 29th, 2020, at 8 a.m. at the Club MX's start line.

3. Strictly Prohibited Actions

- 3.1** Running outside the marked race course to gain an advantage.
- 3.2** Running on the road or on top of the snow bank unless the signs authorize the drivers to do so.
- 3.3** Refuel at any other place than the starting site (pit area).
- 3.4** To speed up over 15 km/h in the pit area. (see penalties 9.5)

4. Team Members' Responsibilities

- 4.1** Team members must comply with the general competition rules and with the officials' instructions.
- 4.2** Team members are not permitted to be on the race course during the race, except to remove a snowmobile.
- 4.3** In the event of a mechanical problem at the start line, the driver may receive assistance with the consent of an official.

2020 CROSSCOUNTRY RULES

- 4.4** Repairs and fuelling are only permitted in the zone assigned on the site of Club MX (at the start line).
- 4.5** Every team performing fuelling must have a working fire extinguisher at the ready.

5. Verification and Inspection

- 5.1** Drivers must submit their snowmobiles for inspection to verify that they comply with the rules.
- 5.2** Snowmobiles must be on-site by 7:30 on February 29, 2020, for the participants of Vintage and Participation Classes. Snowmobiles of participants of the Semi-Pro and Pro classes must be on-site at 9 a.m. on February 29, 2020.
- 5.3** If the inspection reveals that the snowmobile does not qualify, the driver will not be permitted to race (see section 8).

6. Start Line

- 6.1** Following the inspection, the driver or a team member must move the snowmobile to the start line in accordance with the driver's position and class. The competitor must be on time at the start line (9 a.m. for the Vintage and Participation classes and 11 a.m. for the Semi-pro and Pro-classes).
- 6.2** At the pit meeting and during the start-line formation, only the driver and one team member will be allowed on the race course.
- 6.3** At the start of the race, only the driver and his mechanic will be allowed on the start line.
